Losses in New York Market Opening Is Followed by Upturn; Corn Also Gains Strength Rapidly.

Chicago, III. July 20.—Increasant war-like reports, taking the place of signs of possible peace sent the wheat market sour-ing today. The opening, which ranged from 2 to tige higher than Wednesday night, was followed by some additional upturn, but also by a reaction of 2 cents or more. Later the market again stiff-ened.

BARBECUE POSTPONED Adrian Pool has postponed his barbecue until after the Democratic state convention. Judge Pool says he found that so many of his friends would be busy preparing for the convention in El Paso that it would inconvenience them to take the time off which would be necessary to go to the Pool ranch Saturday evening. He will give the barbecue after the convention adjourns and expects to have a larger crowd them than he probably would have had Saturday night.
